

National Safety Council

Avian Flu Survey Results

The National Safety Council recently conducted a member needs assessment regarding awareness of and preparedness for a possible pandemic of Avian Flu.

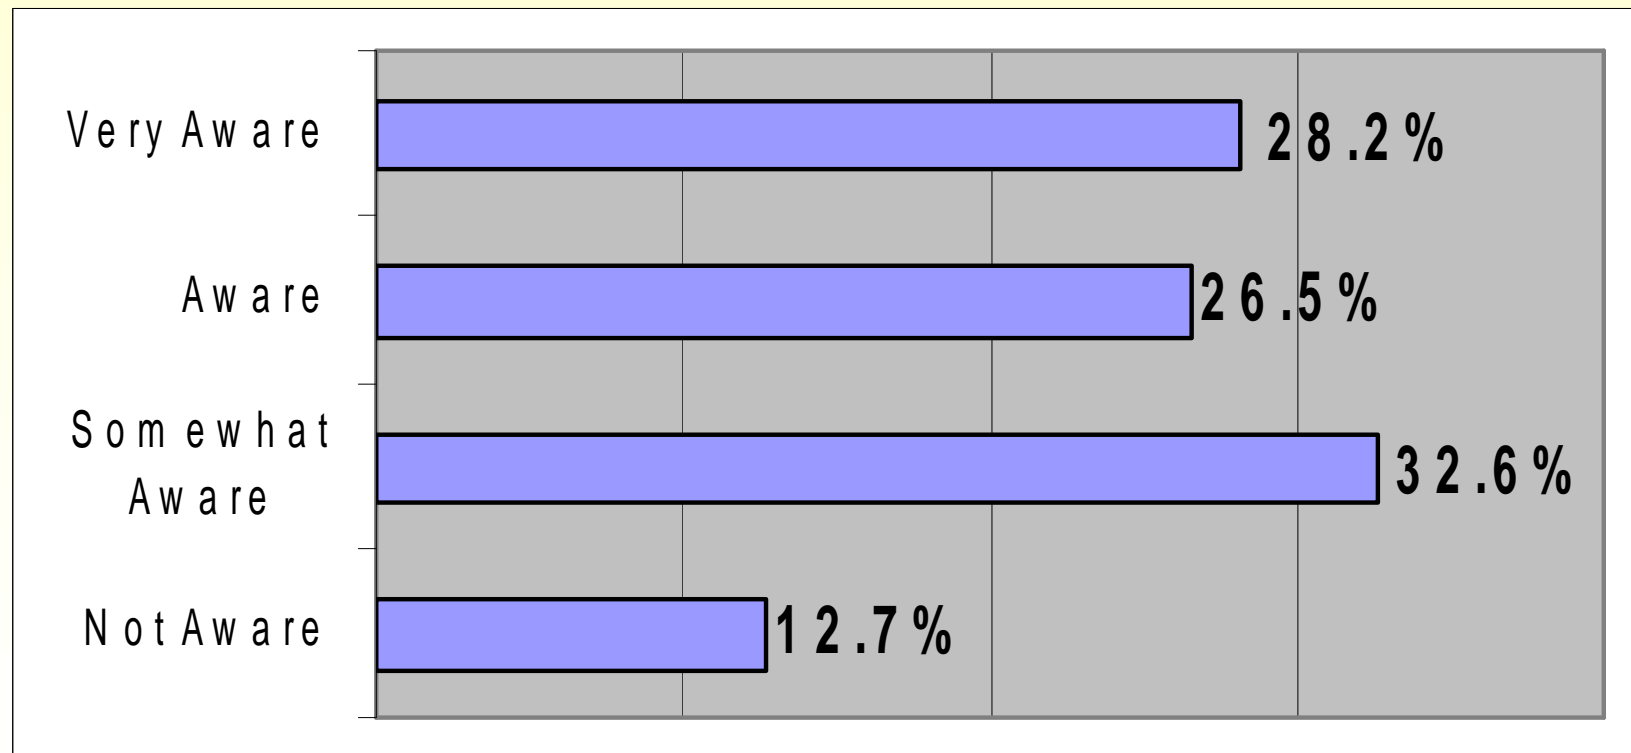

Thank you to all who participated and provided information. Your feedback helps the NSC staff to better target its programs to help address your membership needs.

Avian Flu Survey Results

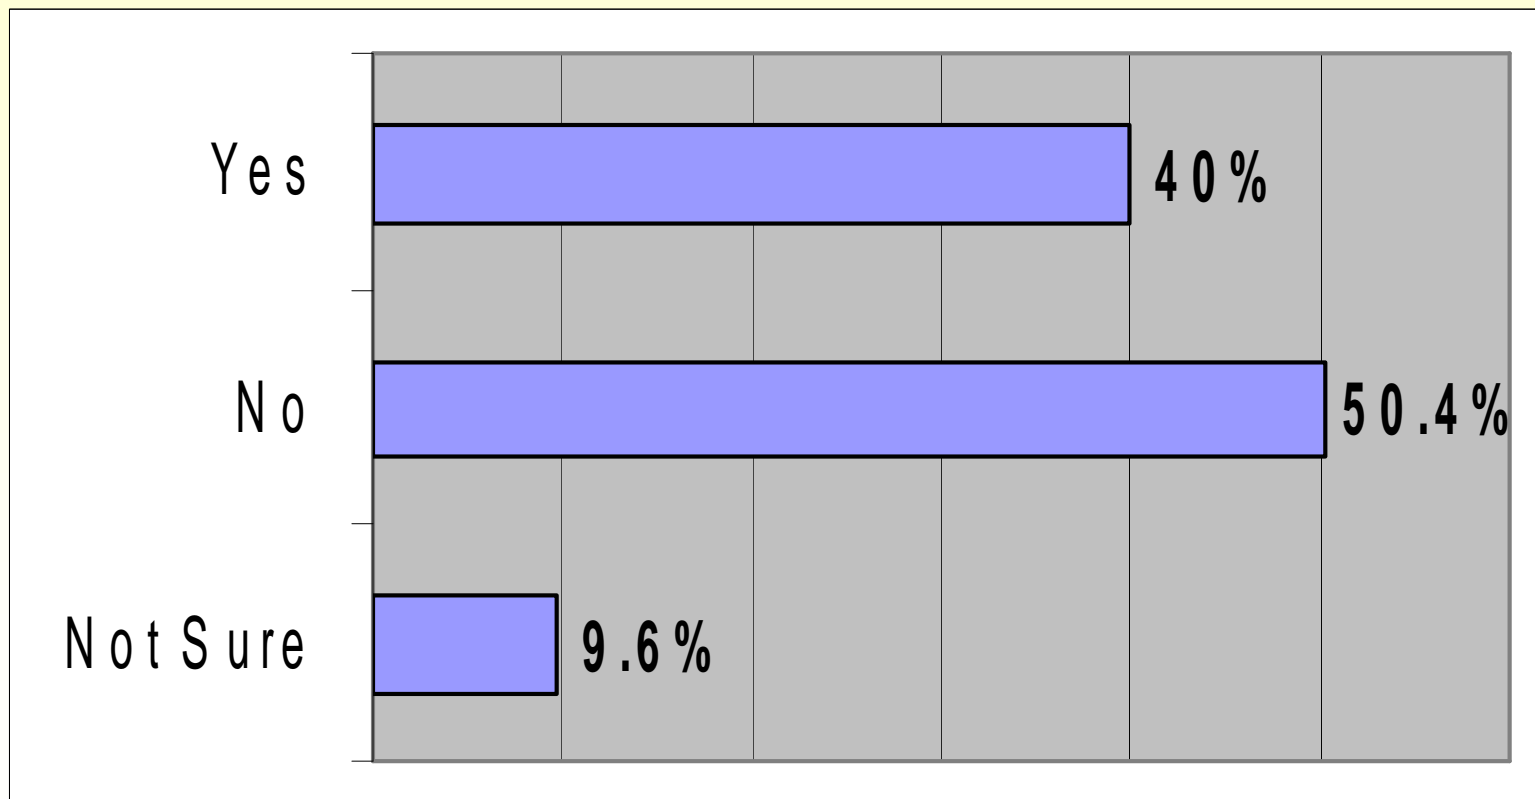

- Online survey sent to primary NSC members with e-mail addresses
- Received 12.5% response rate within 10 days

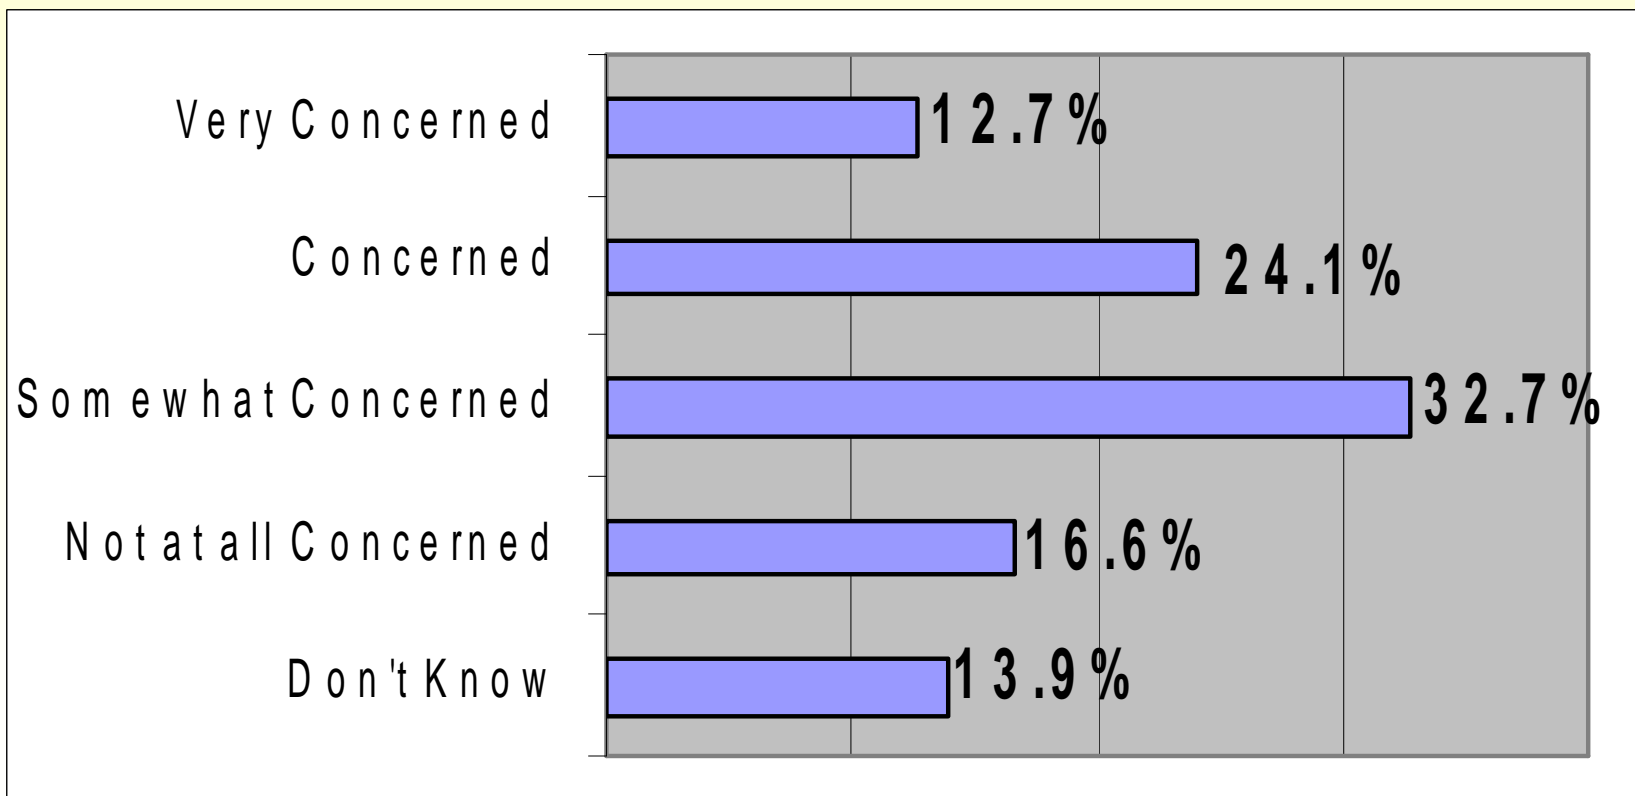

1) How aware is your organization's management about the Avian Flu and a possible pandemic?

2) Has your organization's management had discussions about Avian Flu and a possible pandemic?

3) How concerned is your organization's management regarding this issue?

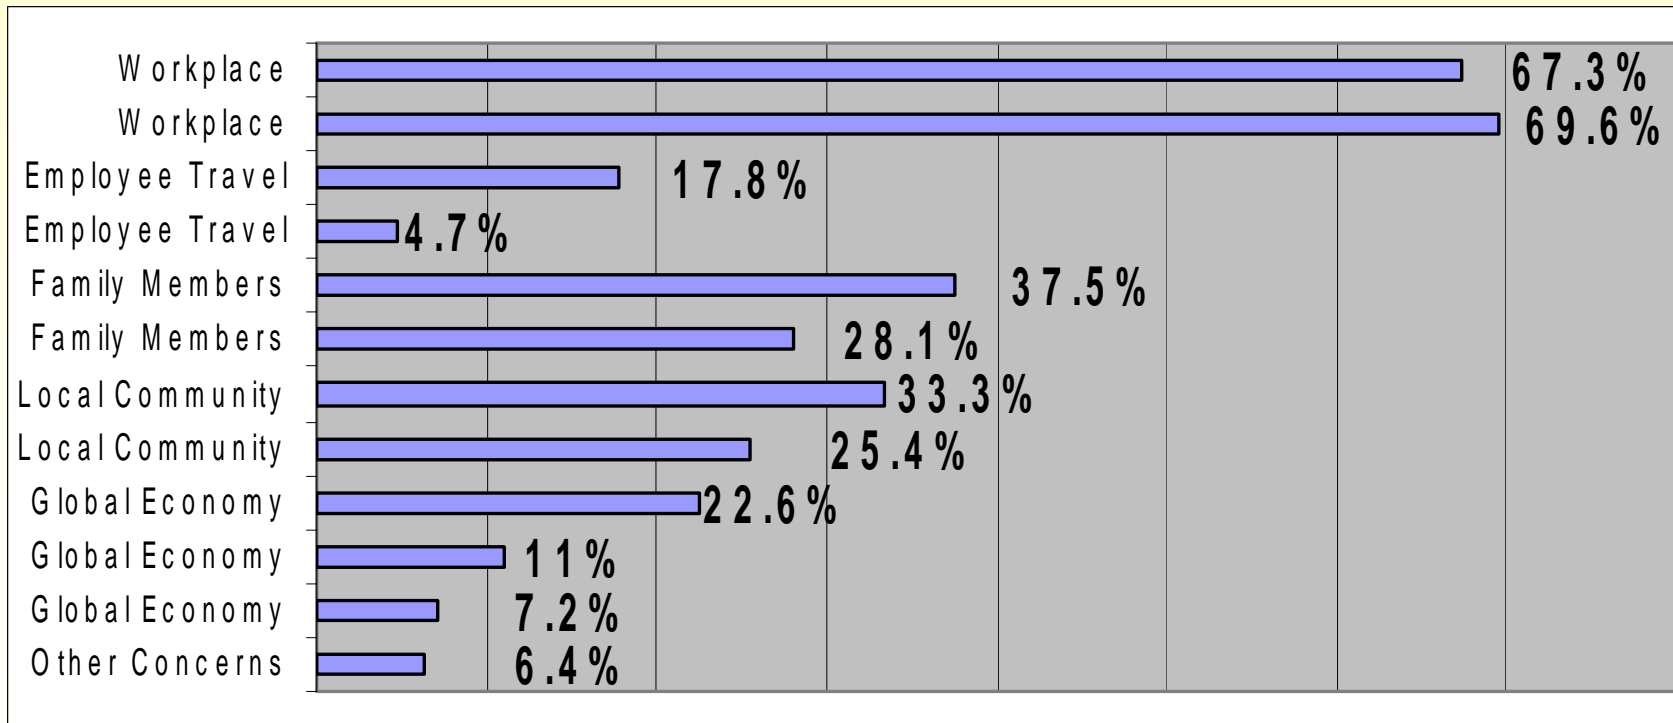

4) Please indicate which of the following is of the most concern to your organization's management should there be an Avian Flu pandemic.

(check up to 3)

	Percent
Workplace: Managing with reduced workforce	67.3%
Workplace: Limiting exposure at the workplace	69.6%
